

1. GreyNet Award Recipient 2025

Dr. Donatella Castelli

InfraScience Laboratory, ISTI-CNR Italy

The Award will be presented during PISA 2025 in recognition for her more than 20 years of involvement with GreyNet and the field of Grey Literature <https://infrascience.isti.cnr.it/>

2. PISA 2025 Poster Prize 🏆

<https://iamslic.wildapricot.org/Pisa2025/posters>

Those presenting conference posters at PISA 2025 are eligible for this year's Poster Prize. The winning poster will be announced during the conference Closing Session. Posters will be judged by a panel of jurors based on their innovative content, relevance to the conference topics, graphic design, accompanying abstract, and presentation.

3.

This webinar will explore how scholarly communicators implement policies and initiatives to promote Open Science and strengthen their research infrastructures. April 22, 2025.
