Guidelines for Abstracts

Participants who seek to present a paper dealing with grey literature are invited to submit an English language abstract between 350-400 words. The abstract should address the problem/goal, the research method/procedure, an indication of costs related to the project, as well as the anticipated results of the research. The abstract should likewise include the title of the proposed paper, conference topic(s) most suited to the paper, name(s) of the author(s), and full address information. Abstracts are the only tangible source that allows the Program Committee to guarantee the content and balance in the conference program. Every effort should be made to reflect the content of your work in the abstract submitted. Abstracts not in compliance with the guidelines will be returned to the author for revision.

Related Conference Topics

- Long Tail Research Data and Grey Literature
- Metadata on the Frontline of Research
- Data Management and the Role of Librarians
- Current Research Trends in Grey Literature
- Research Data and Open Access Compliance
- Data Policies Reflect the Political Will of Organizations
- Other related topic:

Due Date and Format for Submission

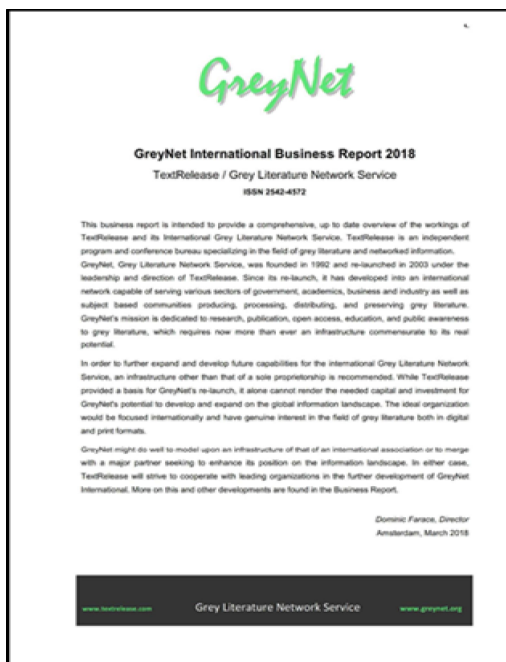

Abstracts in MS Word must be emailed to conference@textrelease.com on or before **April 15, 2018**. The author will receive verification upon its receipt. By early May, shortly after the Program Committee meets, authors will be notified of their place on the conference program. This notice will be accompanied by further guidelines for submission of full text papers, biographical information, accompanying research data, PowerPoint slides, and required Author Registration.
