Nineteenth International Conference on Grey Literature
"Public Awareness and Access to Grey Literature"

National Research Council of Italy, Rome – October 23-24, 2017

Moderator Day One

Margret Plank Head of Development German National Library of S&T

Margret Plank is currently the Head of Development and the Competence Centre for Non-Textual Materials at the German National Library of Science and Technology in Hannover, Germany. The aim of the Competence Centre is to develop emerging tools and services that actively support users in the scientific work process enabling nontextual material such as audiovisual media. 3D objects and research data to be published, found and made available on a permanent basis as easily as textual documents. Previously she was responsible for Information Competence and Usability at the TIB. She has also worked as a researcher at the Institute of Information Studies and Language Technology of the University of Hildesheim. She represents TIB on a number of boards including IFLA Steering Committee Audiovisual and Multimedia Section as well as the International Council for Scientific and Technical Information, ICSTI/ ITOC.

Email: margret.plank@tib.eu

Program Chair

Alberto De Rosa *Head Central Library* National Research Council of Italy

Alberto De Rosa is responsible for the National Research Council Central Library 'G. Marconi', the main Italian multidisciplinary library devoted to Science and Technics. He is involved in technological, administrative, and management activities related to scientific projects and Information Science in both National and European programs. He graduated Economics at the Naples University 'Federico II'. He is a chartered accountant and statutory auditor (Register of the Italian Ministry of Economics and Finance). He obtained various Masters Business and Management in the Public Administration and Research boards. From 1993 to 2013 he has been Administration Manager of CNR Research Institutes (e.g. the Institute of Biostructures and Bioimaging); From 2002 to 2013 he has been Adjunct Professor of 'Company Structure' at the Naples University. And, from 2006 to 2014 he was Responsible for document management system, document flow and current archives at the CNR Institute of Biostructures and Bio-imaging.

Email: alberto.derosa@cnr.it

Moderator Day Two

Judith C. Russell

Dean of University Libraries

University of Florida

Judith C. Russell is the Dean of Libraries at the University University of Florida. She was formerly the Managing Director, Information Dissemination and Superintendent of Documents, at the U.S. Government Printing Office (GPO). Russell previously served as Deputy Director of the National Commission on Libraries and Information Science (NCLIS) and as director of the Office of Electronic Information Dissemination Services and Federal Depository Library Program at GPO. She worked for more than 10 years in the information industry in marketing and product development, as well as serving as a governmentindustry liaison. Her corporate experience includes Information Handling Services (IHS) and its parent company, the Information Technology Group; Disclosure Information Group; Lexis-Nexis (former Mead Data Central), and IDD Digital Alliances, a subsidiary of Investment Dealers Digest. She has an M.L.S. from Catholic University and a B.A. from Dunbarton College of the Holy Cross.

About the GreyNet Newsletter

This serial publication endeavors to keep information professionals abreast of developments in the field of grey literature. The quarterly newsletter gives exposure to GreyNet's information resources and frontline activities with special emphasis on the International Conference Series on Grey Literature. The GreyNet Newsletter is licensed by EBSCO Publishing and can also be accessed via the Library, Information Science & Technology Abstracts (LISTA-FT) full-text database. This serial publication is made possible through the support of GreyNet's Associate Members and Corporate Authors: DANS-KNAW (Netherlands), CVTISR (Slovakia), ISTI-CNR, (Italy), Nuclear Information Section, NIS-IAEA (Austria), FEDLINK, Library of Congress (USA), Inist-CNRS (France), New York Academy of Medicine (USA), EBSCO (USA), National Library of Technology (Czech Republic), KISTI (Korea), and TIB (Germany).
