GreyNet's Published Datasets and Accompanying Data Papers: Statistics Recorded in the Second Quarter of 2020

GreyNet's collection of published datasets and data papers are housed in the DANS Easy Archive. In the Second Quarter of this year, three new datasets and their accompanying data papers were added to its collection. During this same period, 62 downloads were made from among GreyNet's datasets. On average, datasets with accompanying data papers near double the number of downloads than those without data papers.
